

“ABORTION IS A FACT OF LIFE.”

Women have always had them; they always have and they always will. Are they going to have good ones or bad ones? Will the good ones be reserved for the rich, while the poor women go to quacks?”

— *Shirley Chisholm*

Reprorights:

The Turnaway Study Diana Greene Foster,2021-06 Now with a new afterword by the author Back cover **Pro: Reclaiming Abortion Rights** Katha Pollitt,2014-10-14 Argues that abortion is a common part of a woman s reproductive life and should not be vilified but instead accepted as a moral right that can be a force for social good **Cases on Reproductive Rights and Justice** MELISSA. LUKER MURRAY (KRISTIN.),Kristin Luker,2022-12-02 Description Coming Soon **Reproductive Rights and Justice Stories** Melissa Murray,Katherine Shaw,Reva B. Siegel,2019-04-23 This book tells the movement and litigation stories behind important reproductive rights and justice cases The twelve chapters span topics including contraception abortion pregnancy and assisted reproductive technologies telling the stories of these cases using a wide lens perspective that illuminates the complex ways law is debated and forged in social movements in representative government and in courts Some of the chapters shed new light on cases that are very much part of the constitutional law canon Griswold v Connecticut Roe v Wade Planned Parenthood v Casey Nevada Department of Human Resources v Hibbs Others introduce the reader to new cases from state and lower federal courts that illuminate paths not taken in the law Reading the cases together highlights the lived horizon in which individuals have encountered and struggled with questions of reproductive rights and justice at different eras in our nation s history and so reveals the many faces of law and legal change The volume is being published at a critical and perhaps pivotal moment for this area of law The changing composition of the Supreme Court increased executive and legislative action and shifting political interests have all pushed issues of reproductive rights and justice to the forefront of contemporary discourse The volume is suited to a wide range of law school courses including constitutional law family law employment law and reproductive rights and justice it could also be assigned in undergraduate or graduate courses on history gender studies and reproductive rights and justice

Controlling Women Kathryn Kolbert,Julie F. Kay,2021-07-13 From two lawyers at the forefront of the reproductive rights movement this fully updated book shares bold strategies meant to help restore and expand reproductive and sexual rights Reproductive freedom has never been in more dire straits Roe v Wade protected abortion rights and Planned Parenthood v Casey unexpectedly preserved them Yet in the following decades these rights have been gutted by restrictive state legislation the appointment of hundreds of anti abortion judges and violence against abortion providers Today the ultra conservative majority at the Supreme Court has overturned our most fundamental reproductive protections With Roe toppled abortion is now a criminal offense in nearly one third of the United States At least six states have enacted bans on abortion as early as six weeks of pregnancy before many women are even aware they are pregnant Today 89% of U S counties do not have a single abortion provider in part due to escalating violence and intimidation aimed at disrupting services We should all be free to make these personal and private decisions that affect our lives and wellbeing without government interference or bias but we can no longer depend on Roe v Wade and the federal courts to preserve our liberties Legal titans Kathryn Kolbert

and Julie F Kay share the story of one of the most divisive issues in American politics through behind the scenes personal narratives of stunning losses hard earned victories and moving accounts of women and health care providers at the heart of nearly five decades of legal battles Kolbert and Kay propose audacious new strategies inspired by medical advances state level protections human rights models and activists across the globe whose courage and determination are making a difference No more banging our heads against the Court s marble walls It is time for a new direction *Reproductive Freedom, Torture and International Human Rights* Ronli Sifris,2013-12-13 This book contributes to a feminist understanding of international human rights by examining restrictions on reproductive freedom through the lens of the right to be free from torture and other cruel inhuman or degrading treatment Ronli Sifris challenges the view that torture only takes place within the traditional paradigm of interrogation punishment or intimidation of a detainee arguing that this traditional construction of the concept of torture prioritises the experiences of men over the experiences of women given that the pain and suffering from which women disproportionately suffer frequently occurs outside of this context She does this by conceptualising restrictions on women s reproductive freedom within the framework of the right to be free from torture The book considers the gendered nature of international law and the gender dimensions of the right to be free from torture It examines the extension of the prohibition of torture to encompass situations beyond the traditional detainee context in recent years to encompass situations such as rape and female genital mutilation It goes on to explore in detail whether denying access to abortion and involuntary sterilization constitutes torture or other cruel inhuman or degrading treatment under international law The book looks at whether limitations on reproductive freedom meet the determining criteria of torture which are severe pain or suffering being intentionally inflicted being based on discrimination linked in some way to a State official whether they constitute lawful sanctions and the importance of the concept of powerlessness In doing so the book also highlights how this right may be applicable to other gender based abuses including female genital mutilation and how this right may be universally applied to allow women worldwide the right to reproductive freedom **Abortion Wars** Orr, Judith,2017-09-10 In this hard hitting timely book Judith Orr leading pro choice campaigner argues that it s time women had the right to control their fertility without the practical legal and ideological barriers they have faced for generations Donald Trump s presidency threatens abortion rights within the US and his global gag affects women worldwide today 47 000 women die annually from illegal abortions In Britain anti abortion campaigners attack women s rights under existing law Elsewhere women cross borders or buy pills online In the US Ireland Poland and Latin America restrictions on abortion have provoked mass resistance Combining analysis of statistics popular culture and social attitudes with powerful first hand accounts of women s experiences and a history of women s attempts to control their bodies the author shows that despite the 1967 Abortion Act full reproductive rights in Britain are yet to be won The book also highlights current debates over decriminalisation and argues for abortion provision fit for the 21st century **Invisible Girls** Patti Feuereisen,2018-12-04 A powerful source of

healing for teen girls and young women who have experienced sexual abuse Invisible Girls offers survivors agency and hope in an era when too many girls have suffered alone The statistics are staggering One in four girls will experience sexual abuse by the time she is sixteen and 48 percent of all rapes involve a young woman under the age of eighteen It s not surprising then that in a society where sexual abuse of young women is rampant many women never share their stories They remain hidden and invisible In her pioneering work with young survivors through the last thirty years Dr Patti Feuereisen has helped teen girls and young women to find their voices begin healing and become visible In this revised second edition Dr Patti s gentle guidance and the girls powerful stories continue to create an encouraging message Remarkable healing is possible if girls learn to share their stories in their teens and early twenties With a new introduction new chapters and updated resources this new edition of Invisible Girls has even more to offer girls young women and those who care about them

Policing the Womb Michele Goodwin,2020-03-12 This book tells the real life horror story of states abusing laws and infringing on rights to police women and their pregnancies

Obstacle Course David S. Cohen,Carole Joffe,2020-02-18 It seems unthinkable that citizens of one of the most powerful nations in the world must risk their lives and livelihoods in the search for access to necessary health care And yet it is no surprise that in many places throughout the United States getting an abortion can be a monumental challenge Anti choice politicians and activists have worked tirelessly to impose needless restrictions on this straightforward medical procedure that at best delay it and at worst create medical risks and deny women their constitutionally protected right to choose *Obstacle Course* tells the story of abortion in America capturing a disturbing reality of insurmountable barriers people face when trying to exercise their legal rights to medical services Authors David S Cohen and Carole Joffe lay bare the often arduous and unnecessarily burdensome process of terminating a pregnancy the sabotaged decision making clinics in remote locations insurance bans harassing protesters forced ultrasounds and dishonest medical information arbitrary waiting periods and unjustified procedure limitations Based on patients stories as well as interviews with abortion providers and allies from every state in the country *Obstacle Course* reveals the unstoppable determination required of women in the pursuit of reproductive autonomy as well as the incredible commitment of abortion providers Without the efforts of an unheralded army of medical professionals clinic administrators counselors activists and volunteers what is a legal right would be meaningless for the almost one million people per year who get abortions There is a better way treating abortion like any other form of health care but the United States is a long way from that ideal

Safe Abortion World Health Organization,2003-05-13 At a UN General Assembly Special Session in 1999 governments recognised unsafe abortion as a major public health concern and pledged their commitment to reduce the need for abortion through expanded and improved family planning services as well as ensure abortion services should be safe and accessible This technical and policy guidance provides a comprehensive overview of the many actions that can be taken in health systems to ensure that women have access to good quality abortion services as allowed by law

Tiny You Jennifer L. Holland,2020

Caroline Bancroft History Prize 2021 Denver Public Library Armitage Jameson Prize 2021 Coalition of Western Women's History David J Weber Prize 2021 Western History Association W Turrentine Jackson Prize 2021 Western History Association Tiny You tells the story of one of the most successful political movements of the twentieth century the grassroots campaign against legalized abortion While Americans have rapidly changed their minds about sex education pornography arts funding gay teachers and ultimately gay marriage opposition to legalized abortion has only grown As other socially conservative movements have lost young activists the pro life movement has successfully recruited more young people to its cause Jennifer L Holland explores why abortion dominates conservative politics like no other cultural issue Looking at anti abortion movements in four western states since the 1960s turning to the fetal pins passed around church services the graphic images exchanged between friends and the fetus dolls given to children in school she argues that activists made fetal life feel personal to many Americans Pro life activists persuaded people to see themselves in the pins images and dolls they held in their hands and made the fight against abortion the primary bread and butter issue for social conservatives Holland ultimately demonstrates that the success of the pro life movement lies in the borrowed logic and emotional power of leftist activism *Rage Becomes Her* Soraya Chemaly, 2018-09-11 A BEST BOOK OF 2018 SELECTION NPR The Washington Post Book Riot Autostraddle Psychology Today A BEST FEMINIST BOOK SELECTION Refinery 29 Book Riot Autostraddle BITCH *Rage Becomes Her* is an utterly eye opening Bustle book that gives voice to the causes expressions and possibilities of female rage As women we've been urged for so long to bottle up our anger letting it corrode our bodies and minds in ways we don't even realize Yet there are so many legitimate reasons for us to feel angry ranging from blatant horrifying acts of misogyny to the subtle drip drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society In *Rage Becomes Her* Soraya Chemaly argues that our anger is not only justified it is also an active part of the solution We are so often encouraged to resist our rage or punished for justifiably expressing it yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them Approached with conscious intention anger is a vital instrument a radar for injustice and a catalyst for change On the flip side the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power one we can no longer abide A work of great spirit and verve Time *Rage Becomes Her* is a validating energizing read that will change the way you interact with the world around you

Aftercare Instructions Bonnie Pipkin, 2017-06-27 Everyone is talking about *Aftercare Instructions* Bonnie Pipkin's electric debut novel Important fierce Pipkin stole my heart with this book A S King author of *Still Life with Tornado* Mighty innovative and nearly impossible to put down David Arnold author of *Kids of Appetite* Incredibly honest and empathetic ALA Booklist Big hearted sensitive and engrossing Publishers Weekly *Troubled* That's seventeen year old Genesis according to her small New Jersey town She finds refuge and stability in her relationship with her boyfriend Peter until he abandons her at a Planned Parenthood clinic during their appointment to terminate an unwanted pregnancy The betrayal causes Gen to

question everything As Gen pushes herself forward to find her new identity without Peter she must also confront her most painful memories Through the lens of an ongoing four act play within the novel the fantasy of their undying love unravels line by line scene by scene Digging deeper into her past while exploring the underground theater world of New York City she rediscovers a long forgotten dream But it s when Gen lets go of her history the one she thinks she knows that she s finally able to embrace the complicated chaotic true story of her life and take center stage Aftercare Instructions a debut full of heart and hope follows Gen on a big hearted journey from dorm rooms to diners to underground theaters and ultimately right into readers hearts

Full Frontal Feminism Jessica Valenti,2014-07-01 Newly revised and updated the 1 must read book for a new generation of feminists who refuse to accept anything less than equality and justice for all women Now in its updated second edition Full Frontal Feminism embodies the forward looking messages that bestselling author Jessica Valenti propagated as founder of the popular website Feministing com Smart and relatable the book serves as a complete guide to the issues that matter to today s young women including health equal pay reproductive rights violence education relationships sexual independence and safety the influence of pop culture and more Chapters include You re a Hardcore Feminist I Swear Feminists Do It Better and Other Sex Tips Pop Culture Gone Wild The Blame and Shame Game If These Uterine Walls Could Talk Material World My Big Fat Unnecessary Wedding and Other Dating Diseases Real Women Have Babies I Promise I Won t Say Herstory Boys Do Cry Beauty Cult Sex and the City Voters My Ass A Quick Academic Aside Get to It Since its original publication Full Frontal Feminism has informed inspired and assured readers with the ultimate message of truth You a feminist and that s pretty cool

[Bodies on the Line](#) Lauren Rankin,2023-04-11 As the courts betray us and our leaders fail us only we can keep each other safe In this powerful empathetic look at abortion clinic escorting one of the most under covered and crucial lifesaving rigorous forms of activism out there Rebecca Traister Lauren Rankin offers real hope and a real call to action for a post Roe America Incisive and eye opening Bodies on the Line makes a clear case that the right to an abortion is a fundamental part of human dignity And now that the Supreme Court has overturned Roe v Wade the stakes facing us all if that right disappears have never been higher Clinic escorts everyday volunteers who shepherd patients safely inside to receive care are fighting on the front lines by replacing hostility with humanity Prepared to stand up and protect abortion access as they have for decades even in the face of terrorism and violence clinic escorts live and have even died to ensure that abortion remains not only accessible but a basic human right Their stories have never been told until now With precision and passion Lauren Rankin traces the history and evolution of this movement to tell a broader story of the persistent threats to safe and legal abortion access and the power of individuals to stand up and fight back Deeply researched featuring interviews with clinic staff patients experts and activists plus the author s own experience as a clinic escort Bodies on the Line reframes the abortion wars highlighting the power of people to effect change amid unimaginable obstacles and the unprecedented urgency of channeling that power

Homegoing Yaa Gyasi,2016-06-07 INTERNATIONAL

BESTSELLER WINNER OF THE NATIONAL BOOK CRITICS CIRCLE S JOHN LEONARD PRIZE WINNER OF THE PEN HEMINGWAY AWARD FOR DEBUT FICTION Ghana eighteenth century two half sisters are born into different villages each unaware of the other One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle The other will be captured in a raid on her village imprisoned in the very same castle and sold into slavery One of Oprah s Best Books of the Year Homegoing follows the parallel paths of these sisters and their descendants through eight generations from the Gold Coast to the plantations of Mississippi from the American Civil War to Jazz Age Harlem Yaa Gyasi s extraordinary novel illuminates slavery s troubled legacy both for those who were taken and those who stayed and shows how the memory of captivity has been inscribed on the soul of our nation *Celestine Sibley, Reporter* Celestine Sibley, 2001 From Margaret Mitchell s accident death and funeral to Jimmy Carter s inauguration Celestine Sibley was known for her groundbreaking journalism throughout her 60 year career Now the best of her work is collected by fellow reporter Eldredge of the Atlanta Journal Constitution Undivided Rights Jael Silliman, Marlene Gerber Fried, Loretta Ross, Elena Gutiérrez, 2016-04-18 Undivided Rights captures the evolving and largely unknown activist history of women of color organizing for reproductive justice on their own behalf Undivided Rights presents a textured understanding of the reproductive rights movement by placing the experiences priorities and activism of women of color in the foreground Using historical research original organizational case studies and personal interviews the authors illuminate how women of color have led the fight to control their own bodies and reproductive destinies Undivided Rights shows how women of color starting within their own Latina African American Native American and Asian American communities have resisted coercion of their reproductive abilities Projected against the backdrop of the mainstream pro choice movement and radical right agendas these dynamic case studies feature the groundbreaking work being done by health and reproductive rights organizations led by women of color The book details how and why these women have defined and implemented expansive reproductive health agendas that reject legalistic remedies and seek instead to address the wider needs of their communities It stresses the urgency for innovative strategies that push beyond the traditional base and goals of the mainstream pro choice movement strategies that are broadly inclusive while being specific strategies that speak to all women by speaking to each woman While the authors raise tough questions about inclusion identity politics and the future of women s organizing they also offer a way out of the limiting focus on choice Undivided Rights articulates a holistic vision for reproductive freedom It refuses to allow our human rights to be divided up and parceled out into isolated boxes that people are then forced to pick and choose among **The Oxford Handbook of U.S. Women's Social Movement Activism** Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time

Thank you very much for reading **Reprorights**. As you may know, people have look hundreds times for their chosen novels like this Reprorights, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they cope with some harmful virus inside their computer.

Reprorights is available in our digital library an online access to it is set as public so you can download it instantly.

Our book servers saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Reprorights is universally compatible with any devices to read
