weekend was the reading aloud of Pearl Cleage's poem *We Speak Your Names* written especially for the occasion and appearing here for the first time in this beautiful keepsake book. As deeply moving in print as it was during that weekend of love and praise, the poem names each of the women honored: Dr. Maya Angelou, Coretta Scott King, Diahann Carroll, Toni Morrison, Nikki Giovanni, Rosa Parks, Katherine Dunham, and other legends of the brightest magnitude. With heartfelt eloquence, Pearl Cleage herself, a luminary of the younger generation, celebrates her distinguished elders, strength, their magic, their sensuality, their loving kindness, their faith in themselves, and the priceless example of their lives. In her introduction, the poet shares, "My sisters here, there, and everywhere, this poem is for you. Use it, adapt it, pass it on. Destined to become a classic, *We Speak Your Names* is a treasure to keep forever and a precious, inspiring gift for the ones you love." *Desert Rose*

Edythe Scott Bagley, Joseph H. Hilley, 2012-04-27. A detailed account of Coretta Scott King's upbringing in a family of proud land-owning African Americans with a devotion to the ideals of social equality and the values of education, as well as her later role as her husband's most trusted confidant and advisor.

**Aunties** Ingrid Sturgis, 2008-12-10. An aunt is not just another mother, and aunts defy any sort of archetypal image. Like humanity, they span the spectrum from down-home Auntie Em to the uninhibited Auntie Mame. Some aunts are smart, others are crazy. Some act bravely, others downright foolish. Now in Ingrid Sturgis's marvelous *Aunties*, she gives these extraordinary women their due, sharing a wonderful, eclectic collection of thirty personal essays that explore the complex, seldom-profiled bond between aunts and their nieces and nephews. Profiling a variety of aunts from different cultures, temperaments, and walks of life—the surrogate mother, the wild aunt, the eccentric aunt, the mentor—the essays are written by well-known journalists and authors such as Pearl Cleage and M.J. Rose, as well as everyday people, all of whom bring their subjects to stirring life in their own unique ways. Tia Sonia made her living as an old-world witch in Honduras, providing her niece Beverly James with a tenuous connection to the country of her birth and imparting a valuable lesson after she fails to predict her own tragic demise. The dramatic and glamorous *Tropical Aunts*, also known as Aunt Debs and Aunt Ava, ventured north from Florida only twice but left an indelible mark on Enid Shomer's ideas about being an independent woman in the heartwarming *Bloodsense*. Mark Holt Shannon's magical Aunt Lolly, a woman with a heart as big as the ocean, provided unconditional love and a bridge between three boys and the father who left them all behind. A wonderful celebration of family, *Aunties* is a labor of the heart and a show of reverence to the women whose intangible gifts of love and respect often pass without recognition. Through the vivid memories of real relationships, these narratives pay tribute to aunts everywhere.

[The Son of Mr. Suleman](#) Eric Jerome Dickey, 2022-01-25. Named in USA Today's 5 books not to miss and New York Post's The best new books to read. From New York Times bestselling author Eric Jerome Dickey, named one of USA Today's 100 Black Novelists and Fiction Authors You Should Read, comes his final work, an unflinchingly timely novel about history, hearts, and family. It's the summer of 2019, and Professor Pi Suleman is a Black man from Memphis with a lot to endure, not only as a Black man in Trump's America but in his hard-earned career as an adjunct professor. Pi is constantly forced to bite his tongue in the face of one of his tenured colleagues' prejudices and microaggressions. At the same time, he's being blackmailed by a powerful professor who threatens to claim he has assaulted her when in fact the truth is just the opposite, trapping him in a he-said-she-said with a white woman that in this society Pi knows he will never win. When he meets Gemma Buckingham, a sophisticated entrepreneur who has just moved to Memphis from London to escape a deep heartbreak, things begin to look up. Though Gemma and Pi hail from separate cultures, their differences fuel a fiery and passionate connection that just may consume them both. But Pi's whirlwind romance is interrupted when his absentee father, a celebrated writer, passes away, and Pi is called to Los Angeles to both collect his inheritance and learn about the man who never acknowledged him. With the complicated legacy of his famous father to make sense of, Gemma's visa expiration date looming, and the threats of his colleague becoming increasingly intense, Pi must figure out who he is and what kind of man he will become in his father's shadow. In *The Son of Mr. Suleman*, Eric Jerome Dickey takes readers on a powerful journey exploring racism, colorism, life as a mixed-race person, sexual assault, microaggressions, truth and lies, cultural differences, politics, family legacies, perceptions, the impact of enslavement, and Jim Crow code-switching, the power of death, and the weight of love. It is an extraordinary, story-page-turning and intense book only Dickey could write.
