**The Reluctant Fundamentalist** Mohsin Hamid,2009-06-05 From the author of the award winning Moth Smoke comes a perspective on love prejudice and the war on terror that has never been seen in North American literature At a caf table in Lahore a bearded Pakistani man converses with a suspicious and possibly armed American stranger As dusk deepens to night he begins the tale that has brought them to this fateful meeting Changez is living an immigrant s dream of America At the top of his class at Princeton he is snapped up by Underwood Samson an elite firm that specializes in the valuation of companies ripe for acquisition He thrives on the energy of New York and the intensity of his work and his infatuation with regal Erica promises entrance into Manhattan society at the same exalted level once occupied by his own family back in Lahore For a time it seems as though nothing will stand in the way of Changez s meteoric rise to personal and professional success But in the wake of September 11 he finds his position in his adopted city suddenly overturned and his budding relationship with Erica eclipsed by the reawakened ghosts of her past And Changez s own identity is in seismic shift as well unearthing allegiances more fundamental than money power and perhaps even love Elegant and compelling Mohsin Hamid s second novel is a devastating exploration of our divided and yet ultimately indivisible world Excuse me sir but may I be of assistance Ah I see I have alarmed you Do not be frightened by my beard I am a lover of America I noticed that you were looking for something more than looking in fact you seemed to be on a mission and since I am both a native of this city and a speaker of your language I thought I might offer you my services as a bridge from The Reluctant Fundamentalist
