Schaffner, 2016-06-21 Today our fatigue feels chronic our anxieties amplified Proliferating technologies command our attention Many people complain of burnout and economic instability and the threat of ecological catastrophe fill us with dread We look to the past imagining life to have once been simpler and slower but extreme mental and physical stress is not a modern syndrome Beginning in classical antiquity this book demonstrates how exhaustion has always been with us and helps us evaluate more critically the narratives we tell ourselves about the phenomenon Medical cultural literary and biographical sources have cast exhaustion as a biochemical imbalance a somatic ailment a viral disease and a spiritual failing It has been linked to loss the alignment of the planets a perverse desire for death and social and economic disruption Pathologized demonized sexualized and even weaponized exhaustion unites the mind with the body and society in such a way that we attach larger questions of agency willpower and well being to its symptoms Mapping these political ideological and creative currents across centuries of human development Exhaustion finds in our struggle to overcome weariness a more significant effort to master ourselves *Under The Spanish Stars* Alli Sinclair, 2016-02-01 Charlotte Kavanagh's beloved grandma Katarina Sanchez is gravely ill so when she begs Charlotte to travel to her homeland in Andalucia to uncover the truth behind a mysterious painting Charlotte agrees Taking leave from her soul destroying job and stalled life in Australia Charlotte embarks on a quest through Granada's ancient cobble stoned streets and vibrant neighbourhoods There she meets Mateo Vives a flamenco guitarist with a dark past and through him she quickly becomes entangled in the world of flamenco and gypsies that ignites a passion she had thought lost But the mystery surrounding the painting deepens reaching back in time to the war torn Spain of the 1940s and Charlotte discovers her grandmother's connection to the Spanish underground Who is her grandmother really What is Mateo's connection to her family history And why is finding answers to a family mystery turning into a journey of self discovery for Charlotte Weighed down by secrets betrayals and shattered relationships Charlotte finds herself questioning the true meaning of heritage family and love *The Etymologies of Isidore of Seville*, 2006-06-08 This work is a complete English translation of the Latin *Etymologies* of Isidore Bishop of Seville c 560-636 Isidore compiled the work between c 615 and the early 630s and it takes the form of an encyclopedia arranged by subject matter It contains much lore of the late classical world beginning with the Seven Liberal Arts including Rhetoric and touches on thousands of topics ranging from the names of God the terminology of the Law the technologies of fabrics ships and

agriculture to the names of cities and rivers the theatrical arts and cooking utensils Isidore provides etymologies for most of the terms he explains finding in the causes of words the underlying key to their meaning This book offers a highly readable translation of the twenty books of the Etymologies one of the most widely known texts for a thousand years from Isidore's time City of Thorns C. N. Crawford, 2021-08-23 I never thought I'd be singing happy birthday to myself in a dungeon And yet when a sinfully sexy demon crashes happy hour that's exactly what happens He's known as the Lord of Chaos and he's mistaken me for my succubus doppelgänger Happy birthday to me When he tastes my blood he finally understands I'm mortal And I realize we have something in common we both crave revenge So we make a deal I can stay in the forbidden city to hunt for my mom's killer In return I'll help him get the vengeance he craves I just have to pose as a sexy succubus One problem he's my number one suspect And that's increasingly hard to remember as he teaches me my role seduction With each heated touch I drift further into peril And if I fall under his seductive spell death awaits me I flew through this book Hot demon lord check Action check Romance check And there's spice If you love my books you definitely want to read this one Laura Thalassa
